SEPTEMBER & OCTOBER EDITION

Welcome Back to School!

How time flies! It's already November and our students have had two full months of fun-filled learning in the Language Room! Everyone has adjusted seamlessly back to the old routine and our new P.1s have done a great job adapting to life at school. Our time was filled with lots of phonics practice for everyone, an interesting writing about our dream schools in P.2 and lots of activities around hobbies and school in P.3. What an amazing start to our year!
