五年級同學一連兩星期與兩位身在新加坡的律師及香港微軟公司教育部代表用英語視像對話，分享自己的生命故事，鼓勵學生在疫情下仍要堅守自己的目標，努力向前。

Our P.5 students have taken part in Zoom meetings with two lawyers from Singapore and an executive representative from Microsoft HK. The guests shared their life stories and encouraged our students to Dream Big!

The two lawyers shared their funny family stories and their study tips when they were young with us. We learned a lot from them.

We had so much fun listening to their stories.

Students participated actively in the meetings. They raised their hands to ask questions and jotted down some notes.

A student representative presented a thank you card to our guests.
